

Our experience of 'Go too'

A new bus service launched to cover the South West of Nantwich is already seeing happy customers. On Saturday, a new customer Andrea and her 2 children travelled from Audlem to Nantwich using the recently launched 'Go Too' bus service.

Andrea said" I simply downloaded the app on my phone, and selected our destination. The app was user friendly and self-explanatory.

9 minutes prior to departure, I received a text from Go Too stating that the bus was on it's way, it gave me the exact location where to be picked up. The bus arrived as scheduled and took us to Nantwich, picking up other passengers en route.

Go Too offered exceptional service, we were picked up outside our home address and dropped off close to our destination point.

I will most definitely be using this service again and would encourage others to use

it! "it was an awesome day out" Thanks Andrea for providing that great feedback of the new service that will help residents connect to where they want to be when they need to be somewhere. Be inspired and take a look at how you could use the new on demand Go – Too service. **For more information call the booking line number is 0300 123 5103 open from 9am – 5pm Monday to Friday. Or visit www.go-too.co.uk**

seen here is a happy Ben Leach on his Saturday trip out.
