Are you a seasoned sketcher? New to doodling? Looking for a laid-back group to meet like-minded artists?

Then bring your artistic resources to our new weekly social group starting from Thursday 11th November and enjoy a complimentary hot drink as you stimulate your creative cells or finish that masterpiece you've been desperate to complete.

Each week objects may be provided to inspire your artistic brains for those wishing to draw from life. However, we encourage you to bring your own resources.

If you would like to know more about this exciting group, please contact our artist in residence, Rebecca on nantwich.library@cheshireeast.gov.uk or 01270 375361.
