

To all the fabulous volunteers across Nantwich and Rural

I did not want this important date in the volunteer calendar to pass and miss the opportunity to say a personal big

thankyou please know everything you do, every minute you volunteer, every smile you create, is making a huge difference across Nantwich and our rural villages. You are the glue that is generously, compassionately, embracing recovery and helping people and communities to regain confidence, connect and thrive again. I value and appreciate your contributions and I am proud to work with you.

Deb Lindop Nantwich and Rural Community Development Officer
