“Rotary enables likeminded men and women (18 to 100+ years) to get involved in local, national and international community projects to benefit communities.

You don’t have to be a Rotarian, but just want to give some time and your skills.

Hands-on volunteering, fundraising, challenge events are just some of the activities in which we get involved.

The key element running throughout is having fun while we’re doing it! And it is FUN!

We know most people are busy with varying needs, so we have different types of clubs. For example:

- informal ones which meet over coffee or a drink twice a month where families are welcome.**
- more formal clubs that meet for breakfast, at lunch times or evenings on a weekly basis, often with an inspiring guest speaker**
It’s an opportunity for you
 - Would you like the satisfaction of helping your local community?**
 - Would you like to make new friends?**
 - Do YOU have any ideas for helping people in the local community and the surrounding area?**
 - Are you interested in professional networking?**
 - Do you like to have Fun?!**

If you answer yes to any of these questions why not contact Kate today:
