

Hello,

Date: March 2022

We are very pleased to invite you to take part in 'Making our Town Blue' to support Dementia Friendly Nantwich 2022.

We are encouraging everyone including schools, colleges, shops, businesses, individuals, families and care homes to use your own creative ideas and imagination to make a display of any size using the colour blue as a theme we've attached a forget-me-not flower template to help you but be as creative and innovative as your imagination takes you.

We would love you to share photographs of your displays with us during Dementia Action Week 16th- 22nd May 2022. Please send photographs to thethursdayclubnantwich@gmail.com by 26th May 2022 and we will include as many as we can in local newsletters, on our social media etc.

Our hope is that you join us in 'Making our Town Blue' and that you may be able to support our aim of raising awareness of dementia throughout Nantwich. Please do not hesitate to contact us for further information and about the work of The Thursday Club Nantwich.

The Thursday club can also offer Dementia Friends training to your staff to make Dementia Friends we can also offer advice on how to make your establishment/service Dementia friendly.
