

Cheshire East Crowd Project

“Table Tennis for All In Nantwich”

We need your support

We need your support to help us transform a café into a vibrant community table tennis centre, open to all, every day; A welcoming place where young people and adults can get active, learn new skills and make new friends.

We are a not-for-profit organisation and our team of volunteers have been introducing young people and adults alike to the joys of the sport for 10 years. But we now have the chance to offer new services to the wider community. With your help, our new centre will offer:

- Table Tennis Coaching for all ages and capabilities – helping everyone to develop a new talent
- Daytime Bat & Chat sessions for the over 50s, providing a perfect way to stay active and socialise over a cuppa
- Tailored sessions for those experiencing long term health issues, including dementia and Parkinson's
- Sessions to help stroke & spinal injury survivors gently become more active and regain confidence
- Weekend family sessions for all generations
- An accessible space to encourage and welcome people with disabilities to take up the sport

We are passionate about the potential of our sport to support our community, whether that be tackling social isolation or helping our youngsters develop new skills and confidence. What we can tell you is from our 10-year experience, there is a demand.

You can help make this happen!

Please make a pledge via Cheshire East Crowd website:
