Support for Neurodivergent adults

Do you or a family member identify as Neurodivergent – whether diagnosed or not? If so, we'd like to hear from you about what support you may need and give you the opportunity to meet with like-minded people who may have autism, ADHD, OCD, dyslexia or similar neurodiverse traits.

We'd like to know what you are looking for; it might be:

- Peer support groups – face to face and /or online
- One to one sessions with one of our facilitators
- Signposting to relevant services
- Workshops/training

Share your ideas with us, and we will explore how best we can support you.

You can share your views via the survey monkey link on the Nantwich and Rural Care Community website: <https://nantwichandruralcarecommunity.org>

Or talk to us in person at Nantwich Methodist Church on Hospital Street on:

Tuesday 23rd January at 1:00pm – 2:00pm

Wednesday 24th January at 6:30pm – 7:30pm
